On the right-end of each test are "3 dots", click on the dots to show available actions. If the test is unpublished, there will be an option to Edit Test.<u>Note:</u> To edit a published test, you will need to unpublish the test, edit and then make sure you publish the test again. A test cannot be unpublished if students have already taken the test and submitted answers to the test.

Note: Editing a test from Marks based to criteria based assessments -

Administrators on AssessPrep can allow teachers to edit the test and change from Marks based assessments to criteria based assessments
